

ENTR1201 - Entrepreneurship II: Starting your Business

Credits:	3 (3/0/0)
Description:	In this course, students experience real-world and hands-on activities needed to start a business venture. Students develop strategies, including talking with customers, partners, competitors and advisors that provide valuable input, as they explore the various facets of a business idea and how those facets interact to produce a working business model. Students who complete this course will be well-positioned to write a business plan and will be able to answer the question, "Will anyone other than you want your product or service?"
