

DMKT2410 - Digital Marketing Capstone

Credits:	3 (3/0/0)
Description:	This course is designed to provide students an opportunity to integrate and apply the knowledge they have acquired throughout the digital marketing curriculum into a business situation. This is an application course in which students are required to demonstrate the ability to understand and solve complex digital marketing problems. Students will assess an organization's marketing problem or opportunity and create a digital marketing strategy designed to improve the overall performance of the organization.
