

## ED2210 - Education Technology

Credits:	3 (3/0/0)
Description:	This course is designed to provide students with the skills necessary to support and reinforce the instruction of K-6 students in the area of technology. Students will utilize technology to gather and develop classroom lesson plans. Students will examine assistive/augmentative technology and the technologies required of prospective and practicing teachers. Students will also learn to apply their skills and knowledge when assisting students.
Prerequisites:	<ul style="list-style-type: none"> <li>• ED2204</li> </ul>
Corequisites:
