

Minnesota State
Community and Technical College

A SUCCESS STORY FOR EVERY STUDENT.

WHO IS MINNESOTA STATE COMMUNITY AND TECHNICAL COLLEGE?

M State is a multi-campus, student success-driven community and technical college in northwestern Minnesota. The college serves nearly 15,000 students annually in credit and non-credit courses, through more than 70 career and liberal arts programs offered online and at our welcoming campuses in Detroit Lakes, Fergus Falls, Moorhead and Wadena. M State also partners with local communities and businesses to help fill regional workforce needs.

TUITION AT A GLANCE

Average annual tuition and fees for full-time students at Minnesota colleges and universities (before scholarships and grants).

\$5,976

M State

\$10,034

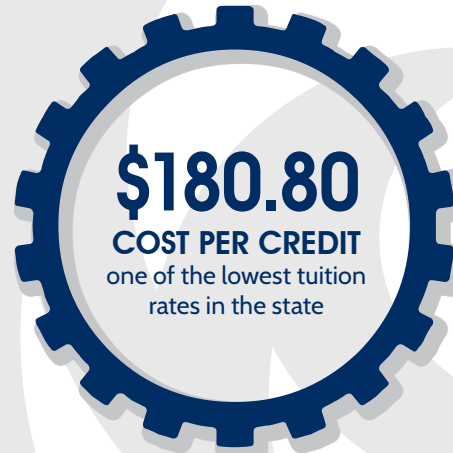

Minnesota State University

\$15,486

University of Minnesota

\$44,146

Minnesota Private University or College

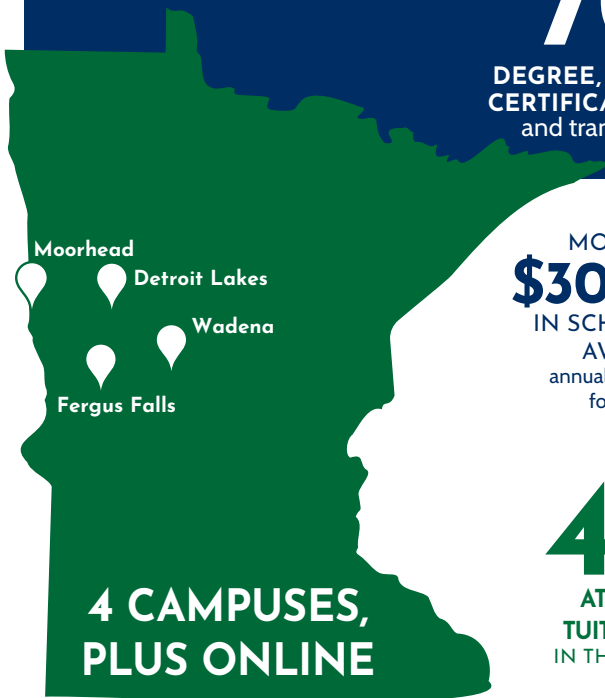

The above costs are for average full-time tuition and fees per year for Minnesota residents at Minnesota-based institutions. Some colleges and universities charge additional fees. Fees vary by program. The costs do not include room and board. These rates are before grants and scholarships. Tuition rates can be found at minnstate.edu/admissions/tuition.html.

M STATE IS ONE OF THE BEST

M State was named the Best Community College in Minnesota by Niche.com in 2024, and eight of M State's online programs were ranked in the top 10 in the nation, including three number one rankings, by BestColleges.com and EduMed.org.

MAKING A DIFFERENCE

Connecting Students to Careers

- Over 800 students participate in career readiness workshops each year to enhance their resume-building, interviewing, application and job-seeking skills.
- More than 100 employers attend networking events on campus each year.
- Handshake connects students and alumni to employers and jobs/internships, available at <http://app.joinhandshake.com>.

Dual Enrollment Impact

- M State saves regional PSEO students and families over \$4.8 million a year in tuition costs.
- Over 26,000 credits were earned by more than 2,600 dual credit students registered at M State in 2024 prior to their high school graduation (includes PSEO, eCampus in the High School and Concurrent Enrollment Program students).
- More than 45 high schools partner with M State for our Concurrent Enrollment Program and/or eCampus in the High School.

Funding Innovation

- Awarded \$4.2 million from the U.S. Department of Labor to expand equitable access to training for good-paying jobs in key regional industries.
- Received \$2 million in Title III grants to support student success.
- Received \$1.63 million from the Department of Education from a congressionally directed funding application for a state-of-the-art simulation lab to train students in health careers.
- \$200,000 was awarded from the Minnesota Office of Higher Education to fund a Student Parent Support Initiative program.
- \$150,000 from the Minnesota State University and College system to support Credit for Prior Learning initiatives.

Workforce Development Solutions (WDS)

- Over 8,000 attendees participated in WDS trainings in fiscal year 2024.
- More than 200 employee trainings were conducted in partnership with over 100 businesses and industries.
- Course offerings, such as business technology, cannabis industry, CDL, electrical, EMS, fire, healthcare, mechanical, online, safety and much more.
- Continuing education credits (CEUs) available for qualifying courses.

MINNESOTA STATE

Minnesota State Community and Technical College, A member of Minnesota State, is an affirmative action, equal opportunity educator and employer.
