

Associate in Arts (AA) Degree:

REQUIREMENTS

The Associate in Arts degree can be used to fulfill freshman-sophomore general education requirements in all the state universities in Minnesota, and at several colleges within the University of Minnesota. The degree is the basic graduation award toward which most students will work if they intend to transfer. It emphasizes a broad general education. In order to obtain an AA degree, students must complete the following uniform requirements.

- Successful completion of a minimum of 60 semester credits numbered 1000 or above.
 - Achieve an overall GPA of 2.00 and a GPA of 2.00 within Minnesota Transfer Curriculum.
 - Earn at least 20 of the 60 credits at M State.
 - Complete a minimum of 40 credits of Minnesota Transfer Curriculum (MnTC).
 - Students may satisfy the MnTC requirement with a variety of courses and credits. Some courses will serve more than one of the ten (10) required areas of emphasis. Fulfilling the minimum required credits of courses in each area of emphasis will not necessarily equal 40 credits. Some additional credits beyond the minimum requirements in Areas 1-10 may be required to achieve the overall 40 credit liberal education component. Students should carefully review and tally their progress.

In order to be certified as having met all the requirements of the College's Minnesota Transfer Curriculum, a student must successfully complete courses as prescribed in the following liberal education distribution areas with a minimum GPA of 2.00.
